**S.C. VALFURNITURE S.R.L. is one of the most important companies which produces tables and chairs from wood, using the joinery technic, in the North-West of the country and the biggest company with this kind of activity in Bihor county.**

**The wood processing is a very complex one, starting with cutting of the log, drying of the timber, processing it until the product is finished.**

**The company was founded in 1999 and started with 10 employees, developing in time, now having over 100 employees.**

**From the very beginning our motto was << Quality before Quantity >>, that is why we invest a lot in last minute technology ,buying 3 wood processing center with numerical order ( C.N.C.), specific for the producing tables and chairs. We also bought 4 professional dryers, with electronic controls, with capacity of 200 m3/drying circle, improving the quality and number of the products, satisfying any requirements in our field..**

**Our experience in processing chairs and tables, it's a guarantee for our professionalism. That is why our products are being exported in Germany, Netherlands, Belgium, Hungary, Cech Republic, etc., exports representing 85% from our activity.**

**Our constant investment in quality and professionalism gives us confidence on the market and help us maintain good relations with our partners.**

**The products that S.C. VALFURNITURE S.R.L. makes, are according with the quality standards an the requirements of the market in this particular field.**
